- Policy and Procedure Compliance

PROFESSIONAL EXPERIENCE

UNITED BANK FOR AFRICA (UBA)

Internal Control & Compliance Officer | *September 2025 – Present*

- Review and call over customer transactions processed by teller and customer service teams to assess accuracy, completeness and compliance with established procedures.
- Review general ledger entries and balances to identify unusual items, exceptions or potential control concerns for follow-up.
- Conduct surprise cash-vault and ATM counts as part of branch control assurance activities.
- Identify and assess operational and transaction-related risks, monitor adherence to controls, and support implementation of corrective measures.
- Promote awareness and consistent application of the internal control framework within the business office.

POLARIS BANK LIMITED

Head, Teller Services / ATM Custodian | *November 2024 – September 2025*

- Performed daily and monthly checks of cash vaults and ATMs to support cash security, accountability and adherence to operating procedures.
- Worked with bank colleagues to coach and support tellers, strengthening coordination between teller services and relationship teams.
- Applied approval controls in line with the bank’s policies, procedures and delegated authority.

POLARIS BANK LIMITED

Regional Compliance & Due Diligence Officer | *February 2021 – October 2024*

- Supported compliance oversight across 13 branches, monitoring adherence to CBN KYC requirements, AML/CFT obligations, internal policies and established controls.
- Conducted KYC reviews, AML reviews and compliance assessments; prepared compliance reports and followed up on identified issues.
- Reviewed customer and account-opening documentation, identifying incomplete records and supporting more efficient document regularisation and proper onboarding.
- Tracked overdue remediation and followed up with relevant teams on outstanding compliance issues.
- Delivered compliance training and staff awareness sessions on relevant CBN requirements, helping address knowledge gaps and promote a stronger compliance culture.
- Used sanctions and politically exposed person (PEP) screening tools as part of compliance review activities.
- Supported reviews involving due diligence, compliance testing and areas including whistleblowing, anti-bribery and corruption, and sustainability requirements, as applicable to assigned reviews.
- Liaised with regulators, law-enforcement agencies and relevant government bodies, and supported external engagement where required.
